THE VULCAN ADVOCATE, WEDNESDAY, NOVEMBER 20, 1963

Vulcan, Alberta

It's another season now and Vulcan's elevators shown above as a backdrop to Nelson Jamison's harvesting scene, didn't look

nearly as pleasant early this week what with falling snow and below zero temperature readings. But the harvest season was a long and rewarding one both in the time needed to take in heavy crops and in the beautiful frost-free weather which held for weeks.

Governor Guest Speaker

19th Anniversary Marked By Vulcan Lions Club

Mrs. John French Again President Reid Hill W.I.

Mrs. E. G. McPherson was hostess to the November meeting of Reid Hill W.I. held Thursday, Nov. 14. Mrs. Jack Marshall and Mrs. W. A. Fitzpatrick were assistant hostesses.

The president, Mrs. Clifford Love was in the chair and conducted the meeting assisted by secretary, Mrs. Marshall. The treasurer's report was given by Mrs. C. L. Kuykendall. The punctuality draw was won by Mrs. Marshall.

Correspondence was light and dealt largely with routine matters. Roll call was answered with "Traditions of Other Lands".

At the conclusion of the short business session the meeting was turned over to Mrs. J. C. MacMillan, who conducted the election of officers for the coming year. Mrs. MacMillan called upon the secretary to read the minutes of the last annual meeting, after which nominations were held. The slate of officers named were all by acclamation and were: president, Mrs. John French; vice-president, Mrs. Earl Deal; secretary, Mrs. Jack Marshall, re-elected, and treasurer, Mrs. C. L. Kuykendall, also re-elected. Directors: Mrs. E. Deal, Mrs. C. Love, Mrs. A. Sales and Mrs. P. Myers. Conveners of Standing Committees: Agriculture, Mrs. MacMillan; Social Services, Mrs. Marshall; United Nations and Citizenship, Mrs. Frieda McRoberts; Health and Education, Mrs. Fitzpatrick; Publicity, Mrs. Sales, and Auditor, Mrs. MacMillan. Mrs. Love, the retiring president was given a hearty vote of thanks for her capable leadership during her term of office.

Mrs. Fitzpatrick presented an interesting contest, which was won by Mrs. Kuykendall and the afternoon concluded with the serving of a delicious lunch by the hostesses.

Mrs. Marshall will be hostess for the December meeting and will be assisted by a committee.

Reservoirs Will Be Completed Next Spring

The unsatisfactory result achieved when Vulcan's two new water reservoirs were lined with plastic last fall has been the subject of recent meetings between the engineers, contractors and Town of Vulcan representatives.

Part of the contract price of the project has been held back by the Town until the work is properly completed according to specifications and at a recent meeting in Calgary agreement was reached whereby the contractors will remove the plastic now in the reservoirs, along with the sand, gravel and rock which was intended to hold the plastic lining in place and will replace the plastic lining and rip-rap the sides of the reservoirs with hand-placed rock.

This work of properly completing the two 21-million-gallon reservoirs will be done in the spring when the reservoirs can be pumped dry one at a time.

Hazel Cameron, Esteemed Former Teacher, Passes

Vulcan and district was saddened to hear of the death on November 16, of one of its most highly esteemed citizens, Miss Hazel B. Cameron, at Sault Ste. Marie, Ont.

"Cam", as she was affectionately known to friends and acquaintances, first came west in 1918. She taught at Garden Prairie School for two years, when she returned east. 1922 saw her return to Barons, and from there she came to Vulcan, remaining until her retirement in 1962.

During her lengthy and valuable tenure in these schools, Miss Cameron instilled in her pupils the basic tenets which she held to be of prime importance and by which she herself had patterned her life. She felt that love for one's country, together with a love for learning, was man's greatest virtue. Work was a challenge to her, and she inspired even the mediocre to great achievement with her favorite saying, "There is no royal road to learning".

A lady of culture and talent, Miss Cameron led and trained the choir and taught the Sunday School in St. Athelstan's Anglican Church, of which she had been a tireless worker and devoted member during her years in Vulcan. She also was a member of the Vulcan Choral Group, bringing to this society the support of her fine contralto voice and her excellent knowledge and training in music. Prior to the formation of the Choral Group, Miss Cameron prepared choruses for festivals and competitions. The shields in possession of the Elementary School attest to her achievement in this field.

At the conclusion of thirty years of teaching, in 1958, Miss Cameron was accorded great honor by the citizens of this community when a testimonial evening was held in the High School auditorium. In recognition of her efforts on behalf of the people of the district, a purse was presented. During the program one pupil, on behalf of the class of which he was a member, gave Miss Cameron a flower and recalled some of the highlights of that term. The same year "The Kernel", the High School Yearbook, was dedicated to Miss Cameron.

Prior to her departure from Vulcan in June, 1962, Miss Cameron was honored at a farewell party and presentation at which life-long friends from many points throughout the province bid farewell to her. At a ceremony held in Vulcan that same year, Miss Cameron was installed as an honorary life member of the Alberta Teachers' Association.

During her long illness, the letters and messages which she received from former pupils and friends cheered and comforted her. Her wish was to return home to the west to be near them.

Immediate survivors include two sisters, Mrs. L. Atkinson, Lethbridge and Mrs. R. Walker, Sault Ste. Marie; and one brother, Ross, Sault Ste. Marie. Funeral services were held at St. Luke's Cathedral, with The Very Reverend F. Nock, Dean of the Cathedral, officiating and interment was in the Green Wood Cemetery at Sault Ste. Marie, Monday, November 18, 1963.

Ensign Farmer Wins Reserve World Championship in Flax; 3rd in Wheat

Harold Hansen of the Ensign district, a few miles north-west of Vulcan, has had excellent success with his flax and wheat entries in the Royal Winter Fair at Toronto.

Mr. Hansen's entry of Raja Flax won the Reserve World Championship and his entry of Chinook Wheat won third prize in the world championship competition for hard red spring wheat. Favorable publicity for the Ensign-Vulcan area has resulted from the gaining of these honors at the top-rated Royal Winter Fair. This was the first year Mr. Hansen had entered any grain exhibits at Toronto.

The flax was selected from a 60-acre field of Raja that yielded 31 bushels to the acre. Mr. Hansen said that he kept examining the sample coming out of the combine into the grain hopper and when the combine came to a spot in the field that looked particularly good that particular flax seed was bagged and the sample

HAROLD HANSEN

was taken from it. The flax was screened and then picked over to remove broken and damaged kernels before the 15-pound sample was sent to Toronto.

In selecting the sample of Chinook wheat, Mr. Hansen gathered up about 30 small bundles from a good place in the swath and these were allowed to dry in a shed. They were then hand-threshed, screened and picked over to get a good competition sample.

Mr. Hansen gives full credit to his wife, Jeanette, for spending a lot of time at the painstaking job of picking over the samples to remove inferior or damaged kernels. Hours and hours of work are involved in preparing such samples, he said, and he and his wife simply ran out of time when preparing the flax sample which he felt could have been improved by another "going-over".

However, they are very happy with their wins at the Royal Winter Fair which, they feel, illustrate the fact that top quality grain is grown in this area.

New Look At Local Store

Thursday of this week will see the re-opening of Robinson Stores, Vulcan, in their old location but in a brand new, completely modern and considerably larger building.

Construction of the building, which is owned by Mitchell & Mitchell Stores Ltd. and leased to Robinson Stores, was started last fall by contractor E. W. Lind. It

is of cement block construction with full glass front and tile-covered cement floor. Space occupied by the store is 32x95 feet.

The interior walls are finished in soft coral and yellow and the vinyl floor tile is grey and blue. It is brightly illuminated with continuous slim-line fluorescent lighting and heating is forced hot air.

The store will be new in every respect, for all the old fixtures have been discarded and replaced by modern fixtures manufactured in Winnipeg.

The store handles dry goods, clothing and variety store merchandise and expansion of the clothing line is contemplated now that additional floor space will be available.

During the past two months, while the old frame building that housed the store for many years was being torn down and the new building constructed, Robinson Stores has been in temporary premises. The store was closed Tuesday and Wednesday of this week while the new fixtures were installed, stock moved and new stock unpacked and put on display in preparation for the grand opening which is being celebrated Thursday, Friday and Saturday of this week.

Owner of the business is Floyd Natrass of Edmonton, who is well known in Vulcan, and store manager is Mrs. Eunice LaRoche, a resident of Vulcan for many years and manager of the store for the past several years. Mrs. LaRoche's assistants are Mrs. Lillian Hubbard and Mrs. Adeline Lerohl.

Weather

Winter finally hit Southern Alberta this week, with the mercury dropping to the five below mark on Tuesday. The colder weather was accompanied by light snow and Wednesday's forecast was for more snow and possible blizzard conditions.

55 Barrels Per Hour

Wildcat Well Makes Good Oil Strike At Milo

A good producing oil well, with an open flow of 55 barrels per hour of high gravity crude, has been brought into production at Milo by the British American Oil Company.

The wildcat well, now known as B-H Milo 931, was drilled to a depth of 4,600 feet in the Glauconite zone. It is located on land owned by R. O. Bertrand adjoining the village of Milo in Sec. 31-18-21-W-4th. Drilling was started on Oct. 16, and the well blew in on Nov. 6, the gas flow being sufficient to make it unnecessary to pump the well.

The well is now on controlled production and the oil is being trucked to the refinery at Calgary. Allowable rate of production will be set by the Oil Conservation Board.

As a result of this oil strike, it is anticipated that there will be further wells drilled in the Milo area.

Training For Snowshoe Race

The boys from the various churches who are preparing now for a snowshoe race started their rigorous practice sessions last Saturday.

Four younger boys walked 13 miles under the leadership of John Pytlarz of Lomond and four older boys under the leadership of Rev. Victor Cowell beat the previous record held by the boys by walking almost the entire distance from Vulcan to Lomond. They were sustained on the way by refreshments served them by Mr. and Mrs. Deal and Mr. and Mrs. E. W. Lind. These four older boys were all from the Lomond Anglican Church: Kenneth Hart, Kenneth Pearson, Terry Chase and Charles Stokes.

55th Anniversary Of Well Known Carmangay Couple

Mr. and Mrs. W. T. Ohler of Carmangay celebrated their 55th Wedding Anniversary on Sunday, Nov. 10, with a family dinner at the home of their son-in-law and daughter, Mr. and Mrs. Arthur Cutforth.

The couple were married in Kansas City, Missouri, 1908, coming to Alberta to make their home in 1917. They first came to the Staveland district, later moving to their farm west of Carmangay in the Prairieville district where they farmed until 13 years ago, when they built a new home in Carmangay and retired.

They have two daughters, Mrs. Wilma Flitton of Calgary and Mrs. Irene Cutforth at Vulcan; one son, Ivan Ohler, who now resides on their farm, and seven grandchildren.

Mr. and Mrs. Ohler were the recipients of gifts including a service for eight stainless steel flatware from the family.

Their many friends send their congratulations and best wishes for many more years of happy married life.

Fleming Family Holds Reunion At Hanna

The home of Mr. and Mrs. Charles Fleming, well known Hanna residents and formerly of Vulcan, was the scene of a family reunion on October 27, when their three daughters, their husbands and families gathered for a pleasant afternoon and dinner. Included were Mr. and Mrs. Fred Bond and family of Hanna; Mr. and Mrs. Bruce Gonyea and family of Melville, Sask.; and Mr. and Mrs. Cecil Warden and family of Edmonton. Also present were ten grandchildren and two great grandchildren.

Mr. and Mrs. Gonyea and family have since left Melville for Moncton, New Brunswick, where Mr. Gonyea has accepted the position of Superintendent of Service and Distribution for the Moncton Utility-Gas Company.

Scholarship To Shirley Deal

The Percy J. Haslam Scholarship for 1963 has been awarded to Miss Shirley Deal of Vulcan, who is now registered in the Galt School of Nursing, Lethbridge.

Amounting this year to the sum of \$132.68, the scholarship is provided for in the will of the late Mr. Haslam. It is awarded annually and provides for the continuation of education or training each year of a student whose parents have taken or are taking an active part in the work of the Berrywater local of the Farmers Union of Alberta.

Recreation Drive Slows, Pledges Still Out

The fund raising campaign of the Vulcan and District Recreation Centre has slipped out of high gear during recent days and is only about \$1,000 above last week's mark of \$10,000.

Chief cause of the lapse in the drive, say officials, is that there are a great many persons with pledge forms out who have not returned with them to indicate their participation in the canvass.

It is estimated that there are approximately 650 names of residents included in this campaign, at headquarters in the Legion Hall. Eighty names are in and signed up and presently about 300 more persons still have pledges out. This is where the stumbling block occurs. Officials ask that those with pledges still in their possession, return them as soon as possible so that a fair indication of the campaign's progress can be made.

\$55,000 is the objective of this phase of a plan which it is hoped, will eventually see artificial ice at the arena and a conversion program of the building to auditorium, banquet hall and recreation use.

Coffee and doughnuts were served to visitors at Campaign headquarters last Saturday afternoon. The help of the Legion and ladies of the Royal Purple and Wally Franks, with his P.A. system, was given for this event.

Turtle Finds New Home At Medicine Hat

The full story of Vulcan's travelling turtle, which started locally in the fall and appeared in print two weeks ago, can now be told.

Through the response from Bill Fleming and Frank McNiven we find the turtle originally turned up at the Creston home of Mrs. Dan McNiven Sr. who gave it to Mrs. Ott Irving who was visiting with her. In turn the turtle went to her granddaughter at Okotoks who expected a petite inch-and-a-half crawler and couldn't get friendly with this larger edition.

It was next a guest with the Frank McNivens during which time it was introduced to Brant school students and then on to brother Don McNiven's home. Mailman Bill Fleming became next guardian of the turtle and it was while in his keeping that it strayed, and was found by young Charles Gruszie who has made turtle raising his hobby since then.

To close out this phase of its life, Charles recently moved to Medicine Hat and with him went the turtle.

Life Membership To Mrs. E. Marshall

The November meeting of the AARN was held in the Anglican Church basement with 26 members and a visitor present.

Mrs. McCullum, charge nurse of Obstetrical nursing department in the Lethbridge Municipal Hospital gave an extremely interesting and instructive talk on the care of the premature baby.

The business meeting followed. R. Jamison gave a report on the equipment available for loaning to the public. The annual Christmas dance was discussed and each committee reported. The doll will be raffled at the December meeting and the members are requested to turn in their raffle tickets.

Mrs. Marshall was presented with a silver spoon and an award of life membership in the Vulcan AARN Chapter. In her speech of thanks Mrs. Marshall stated that she had taken her training at the Bishop Clarkson Memorial Hospital, Omaha, Neb. in 1909.

Wallet Returned To Owner

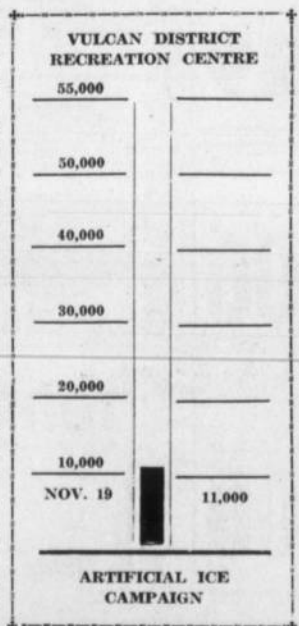

Honesty is still the best policy and at least three local residents are happier because of the recent implementation of this old saying. Police Chief Gene Moyer was happy to recount the following story to the Advocate:

On Nov. 9, Roy and Joey Hagg, 11- and 12-year-old sons of Mr. and Mrs. Larry Hagg of Vulcan, found a wallet in front of the Post Office. In it was \$168 in cash, valuable cards and personal papers.

The boys turned their find over

to Const. Moyer who identified Dan Jantzie as owner. Mr. Jantzie was indeed a relieved man on receiving his wallet for not only would the cash be missed but personal papers and such data are always difficult and sometimes impossible to replace.

Roy and Joey each received \$10 from Mr. Jantzie for their good turn. They immediately headed for separate banks — to avoid confusion — and set up savings accounts.

Queenstown Bride To Live In Sask.

The Grandview Kingdom Hall, Calgary, was the setting for a pretty fall wedding, October 12, when Lella-May, elder daughter of Mr. and Mrs. Frank G. Durston of Queenstown, was united in marriage with Leslie Gene Francis, younger son of Mr. and Mrs. Clair Francis of High River.

Mr. George Naish, of Saskatoon officiated at the double ring ceremony. The bride, escorted to the altar by her father, looked lovely in a simple floor length gown of peau de sole satin with lily point sleeves. Her chapel length veil was held in place by a single rosette trimmed with seed pearls. She carried a cascade of tulle roses. On her neck she wore a single strand of pearls.

Attending the bride was her sister, Marilyn, who wore a pale green dress of nylon chiffon over satin. The neckline matched that of the bride's gown. She carried a nosegay of bronze roses.

Loren Francis, brother of the groom, acted as best man.

The ushers were Bill Kilschuck of Prince Albert and Chuck Miller of Saskatoon.

A reception for 40 relatives and close friends was held in the Highland Queen Room of the Highlander Motor Hotel.

About 100 friends and relatives attended the dance which followed the reception.

For going away the bride chose a blue and white hounds-tooth check turtleneck-length suit, with blue accessories and a tulle rose corsage.

The happy couple will reside in Saskatoon following a short honeymoon in Banff.

LOMOND

The Annual Meeting of the Lomond Community Centre was held on Tuesday evening, Nov. 12, at which time the Lomond Lions Club turned over \$500 received from their October activities. More Lion activities are planned for in the future and the profit from these will again go towards the upkeep of the Civic Centre.

Correction in last week's news: The Ralph Richardson family and Terry Chase spent the holiday weekend visiting the Lee Richardsons at Alix, not Brooks.

Mr. and Mrs. Frank Koch recently enjoyed a trip to Keephills, Alta., 50 miles southwest of Edmonton, where they visited the latter's brother-in-law and sister, Mr. and Mrs. Roy Dalton and their family and Mr. and Mrs. Robert Porter and family. They were accompanied on the trip by Mrs. Koch's brother-in-law and sister, Mr. and Mrs. Owen Dalton of Vauxhall. They also visited with relatives and friends at Innisfail, Carstairs, Olds, Ponoka, Bashaw, Mirror, Trochu and High River. They enjoyed a short but pleasant visit with Grandpa Asselstine of High River, formerly of Lomond. It was a wonderful trip and they were fortunate in being away during all the dust storms around Lomond and district.

DEAL—In memory of Earl Harold Deal who passed away Nov. 24, 1962.

There's an open gate at the end of the road
We each must go alone,
And there's a light we cannot see

Our Father claims His own.
Beyond that gate our loved one
Finds happiness and rest;
And there is comfort, in the thought

That a loving God knows best.
Ever remembered by Mr. and Mrs. Wm. Donnelly of Edmonton and Mr. and Mrs. Wm. Lucas of Vulcan and families. 16-1p

Good Deeds W.I. Elects Officers

The November meeting of the Good Deeds Women's Institute, attended by 12 members and two visitors, was held at the home of Mrs. Harry Smith. Mrs. Pat Dingwall, in the president's chair, opened the meeting with the usual ritual and Mrs. Lena Brown was secretary.

They and Mrs. Pat Dingwall, also agreed to organize a simple program for the children at the Christmas meeting next month.

"Carousel" Opens At Auditorium

Following their successes with "Oklahoma!" and "The King and I", the Calgary Theater Singers will present Rodgers and Hammerstein's great musical "CAROUSEL" at the Jubilee Auditorium. Setting a precedent in local dramatic circles, "CAROUSEL" will open on a Saturday night, Nov. 23, and will continue all through the following week to Saturday, Nov. 30. Eileen Higgins is the producer for the Theatre Singers.

Irene Prothro directs the beautiful love story told in unforgettable songs, with full orchestra directed by Elgar Higgins.

Probably the main reason for the lasting charm of "CAROUSEL" is the show's score, including the songs "June is Bustin' Out All Over", "If I Loved You", "When the Children are Asleep", "What's the Use of Wonderin'", "You'll Never Walk Alone", Billy Bigelow's "Soliloquy", the rowdy "Blow High, Blow Low" and "It Was a Real Nice Clambake", sung when the happy picnickers, stuffed with seafood and corn gather around the fire for a sing-song.

Laszlo Funtek has designed the eye-filling stage sets, which have been painted in Italy, and the giant backdrops are expected to arrive in Calgary early next week.

"CAROUSEL" has been a Broadway success many times, and the film version won vast new audiences.

Complete Plans For Shopper's Day

The biting wind, the intense cold and snow which has suddenly struck the country has forcibly brought to Vulcanites the idea that winter is here and the Christmas season is not just a far-off part of December on a calendar.

On this subject, the Vulcan District Chamber of Commerce is now busy lining up its day-long program for Shopper's Day to be held Saturday, Nov. 30. Public events on the program include participation in morning and afternoon hour-long specials by stores, free shows for children, Grey Cup TV viewing, tea and bazaar, church suppers, evening band concert and dance.

Merchants will be occupied during the next week with setting up new stocks, Christmas gift displays, one-hour specials and generally tidying up things for visitors.

QUEEN DRAMATTES

Carmangay and district turned out in full force Wednesday, Nov. 13, to attend the evening of drama presented by the Queen Dramattes. They enjoyed an evening full of laughter. Two readings were well performed by Sandra Kryzanowski (a future Dramatte) and two vocal solos were rendered by Colleen Coe, "Enjoy Yourself", and "Five Foot Two".

The club president, Myrna Minty welcomed the crowd and then the Queen Dramattes presented a "Fashion Frolics Fun Fair", a fashion show made up of comical costumes representing the styles of today. Twenty-nine different costumes were presented. The narration for these was written and read by Mrs. Barbara Hwozdecki. Added features of the fashion show were a 1910 bathing suit loaned by

Mrs. Rena Burns, and an old-time wedding gown and one modern version, all lovely.

A special treat for the kiddies was the arrival in Bridal costume of Mr. Ed — the talking horse and his bride-to-be Fifi.

Humorous commercials advertising Burp-Zee were acted out in pantomime by several girls. These commercials and the theme song were written by Verna Baldwin, Marilyn Baldwin and Shirley Burns.

During an intermission the crowd was entertained with piano and piano accordion music by Larce Clark of Carmangay and Terry Lyons of Barons. They too added a real sparkle to the show.

The feature presentation of the evening was the one-act play "You Ain't Heard The Half Of It", by Grace Barney and presented with the permission of Samuel French Ltd. This is a merry fast moving comedy revolving around the "Loring family". It contained many opportunities for good acting and the girls each took every opportunity to prove their ability.

The Queen Dramattes include Marilyn Baldwin, Verna Baldwin, Norma Stonehouse, Ila Stonehouse, Shirley Burns, Wendy McFarland, Judy Bodie, Myrna Minty, Laurel Taylor and Vikki Skriver. Club mascot is Michael Hwozdecki.

A skit "Tiny Tots Have Troubles Too" was written and acted by Verna and Marilyn Baldwin.

Mrs. Barbara Hwozdecki directs the Queen Dramattes in their activities. The Lions Club of Carmangay have donated the Community Hall free of charge for practices and Dr. Roman Hwozdecki kindly offered to meet all expenses involved in presenting this play, including the cost of rental of the Hall for the evening of presentation.

A party was held for the Queen Dramattes after the play at the home of Dr. and Mrs. Hwozdecki. It was encouraging to see so many people turn out for an evening of fun and the whole evening has been termed a big success.

Future evenings are being planned. Watch for further doings of the Queen Dramattes of Carmangay.
